Good morning Betsy,

I hope you fared well in the snow storm. Apologies for the clerical error, the report is for our Maryland license (19-30771-01). Please let me know of any other questions.

Thanks,

Charles

Charles,

The letter lists a different FDA license number than the report. Were you submitting a report for the -19 license, or did you submit the wrong report for the -01 license?

Thanks,  
Betsy
