Subject: [External_Sender] FOIA Request: July 22-24, 2020, pre-decisional enforcement conference
Date: Wednesday, November 11, 2020 2:43:55 PM

Good day:

I'd like to request all video or audio recordings, as well as transcripts, of NRC's July 22-24, 2020, pre-decisional enforcement conference with TVA's Jim Barstow and members of his staff to discuss apparent violations, their significance, their root causes, and the corrective actions at WBN-1 in 2015. I believe the Investigations Report Number is 2-2016-042 and Inspection Report Number is 050000390/2020013.

Please describe any deleted material and provide a statutory justification for the decision. I am filing this request as a member of the news media, since I am a reporter and editor for The New Yorker, Time, Men's Journal, and Field & Stream. The request is made as part of the news-gathering process and is not for commercial use.

Please waive fees accumulated during the search and review process. Please contact me if the agency determines that a fee applies. I need only digital copies of the records.

If you have any questions about the nature or scope of this request, please call me at (b) (6) . My address is (b) (6) .

Thank you!
