Hello Mr. Kinniebrew,

Your submission below is not a proper FOIA request since FOIA does not answer questions. You must specify the type of documents you are seeking. Guidance on what to include in a FOIA request may be found at <https://www.nrc.gov/reading-rm/foia/foia-privacy.html>. You must also submit an address that you would like associated with your request, or you may choose to file your request directly at <https://foiaonline.gov/foiaonline/action/public/home>.
