RE: Nuclear Regulatory Commission ("NRC") General License No. 705592 Transfer Notice

Dear Sir or Madam:

In compliance with Section 10 CFR 31.5, we are providing notice on behalf of our client, Royal Crown Bottling Corp. ("**Royal Crown**"), that the above-referenced General License has been transferred through an Asset Purchase and Sale Agreement (the "**Agreement**") entered into on December 31, 2020 between Royal Crown and Refresco Beverages US Inc., a Georgia corporation ("**Transferee**"). The closing of such transaction occurred on January 8, 2021. The FT-50c Fill Level Inspector device registered under General License No. 705592 (the "**Device**") was included as part of the sale of assets pursuant to the Agreement and said Device will remain in use at its registered location.

Additionally, per Section 10 CFR 31.5(9), we are providing the following information regarding the Device and the Transferee for your records:

1. Device Manufacturer: Industrial Dynamics Company, Ltd.
2. Model No. of Device: FT-50-C
3. Serial No. of Device: 115191 (Source #502)
4. Transferee's Name: Refresco Beverages US Inc.
5. Mailing Address of Use Location: 1100 Independence Avenue, Evansville, Indiana 47714
6. Designated Contact Name, Title, Phone Number: Jason Gibson, Maintenance Manager, (812) 424-7978 (office) or (270)-577-1424 (cell)
