Hi Laura,
Sorry, please see attached letter. I should have had the address on the diagrams.
Dave

Hello David,

I just realized that I do not have the actual address for the location where the SIR-Spheres will be used, just the facility diagrams. Please provide a letter signed and dated confirming the address where SIR-Spheres will be used.

Thank you for your help, please let me know if you have any questions.

Thank you,
Laura
