General Comment

Washington D.C. bombed Japan twice with nukes; Washington D.C. nuked the Shoshone Nation in/and Nevada 928 times (Nevada Proving Grounds/Nevada Test Site/Nevada National Security Site). When I was a guest of the Navajo (Dine) Nation I was allowed to stay in the prior home of a deceased grandmother who had been killed by the "nuclear wind" that blew into Arizona from Nevada. I remember a description of a European-descendant (call him white if you want to be racist) farmer whose skin was burned off him by glowing blue embers of that "nuclear wind."

The people of the corporate-industrial-military governance are ready to do whatever for the money and the "job" yet the greatest alpha primate pyramid scheme (the President of the United States) J.R. Biden; truly elected, has commanded with the "Memorandum on Tribal Consultation and Strengthening Nation-to-Nation Relationships" from the top-down that you all need to think or rethink about Native American Indian people and all people in association AND WE ALL DO NOT WANT TO GET NUKED!

80 more years and 60 additional years for decommissioning is insane especially when John Kerry just stated we have a decade to reinvent our energy society in order to avoid the worse of the catastrophic human-caused climate change of the 6th great MASS EXTINCTION of the history of Life on Earth that we are already experiencing.

Listen to your commander primates!

Stop this NUCLEAR DISASTER before it MASS-MURDERS!!!!

DO NOT EXTEND POINT BEACH NUCLEAR PLANT!!!!
