While we do not have any comments on the proposed undertaking and believe that this project will not adversely affect traditional, religious or culturally significant sites of our Pueblo and have no opposition to it; we would like to request consultation should any human remains or artifacts unearthed during this project be determined to fall under the Native American Graves Protection and Repatriation Act (NAGPRA) guidelines. Copies of our Pueblo's **Cultural Affiliation Position Paper** and **Consultation Policy** are available upon request.

Thank you for allowing us the opportunity to comment on the proposed project.

Sincerely,
