Subject: Draft RAI for VIPRE Code Review (L-2021-LLT-0000)
Attachments: Draft RAI VIPRE Code.docx

Diane,

Attached is the NRC staff's draft RAI for the subject request. The question is being transmitted to you to determine 1) If the question clearly conveys the NRC informational needs, 2) Whether the regulatory basis for the question is clear, and 3) If the information has already been provided in existing docketed correspondence. Additionally, review of the draft question will allow you to determine your response time. Thank you.

Ed Miller
