**Date:** Thursday, March 18, 2021 12:06:13 PM

---

Good morning Yen-Ju,

The Alabama Emergency Management Agency and Alabama Department of Public Health Office of Radiation Control have no comments regarding Southern Nuclear Operation Company's decommissioning funding plan.

Thanks

**Importance:** High

Q -

I just received this for review. I am not sure either you or David received a copy, but our comments on the draft EA are due 8 April.

EXTERNAL EMAIL - This message originated from outside of AEMA

Dear Mr. Hastings:

I am supporting the U.S. Nuclear Regulatory Commission's review of Southern Nuclear Operating Company's initial decommissioning funding plan for the Farley Independent Spent Fuel Storage Installation. We are providing your office the attached letter and the enclosed draft Environmental Assessment (EA) and Finding of No Significant Impact prior to the public issuance of the EA. We request that distribution and use of the enclosed draft EA be limited only to those staff involved in the review and comment process. Please submit any comments within 30 days of the receipt of this letter.

If you have any questions, please feel free to give me a call or email me.

Sincerely,  
Yen-Ju Chen  
Division of Fuel Management  
Office of Nuclear Material Safety and Safeguards  
Nuclear Regulatory Commission
