Framatome Inc. Response to Request for Public Comment on the "Revision of Fee Schedules; Fee Recovery for Fiscal Year 2021," (Federal Register Vol. 86, No. 33, 10459, February 22, 2021; NRC-2018-0292)

Dear Rulemakings and Adjudications Staff:

Framatome Inc. (Framatome) appreciates the effort by the Commission to continue to optimize and gain efficiencies to reduce the fee structure of the fuel cycle facilities. Framatome also appreciates the continuing efforts to reduce the number of inspections for routine operations at these facilities.

Framatome encourages the Commission to continue to find improvements and efficiencies in the review process for topical reports to reduce the professional hourly rate for special project fees.
