Subject: Correction of Unit 1 Disbursement Total

Reference: Letter from P.R. Simpson (Exelon Generation Company, LLC) to U.S. NRC,
"Disbursement of Decommissioning Trust Funds," dated March 30, 2021

In the Reference, Exelon Generation Company, LLC (EGC) provided notice to the NRC that in 2017, 2019, and 2020, disbursements for decommissioning planning costs were made from the trusts without providing advance notice to the NRC and without an opportunity for the NRC to object. The table provided in the Reference letter had an incorrect value for the total disbursed for Unit 1. The correct total amount of funds disbursed for Unit 1 is \$382,009.10 and is reflected below.

Year Costs Paid	Unit 1 Amount (\$)	Unit 2 Amount (\$)	Date of Disbursement from Trusts
2014	89,150.00	89,150.00	July 2017
2015	1,290.00	1,290.00	November 2017
2016	22,747.09	22,747.11	November 2017
2017	21,316.96	21,316.96	May 2019
2018	202,507.27*	202,469.70*	February 2020
2019	44,997.78	44,997.78	August 2020
Total	382,009.10	381,971.55	

*In 2018, EGC performed a new updated site specific cost estimate for Calvert Cliffs Units 1 and 2, which accounts for the higher costs in 2018 as compared to other years.
