NOS. 624622, 624421, 624623

Dear COL McDannald:

This letter replaces the March 30, 2021 letter in order to correctly reference License No. SNM-860. This is in reference to your letter dated January 15, 2021 notifying the NRC that you are the current management contact for the licenses, and that the Chair of the Radiation Safety Committee is now Dr. Steven Cersovsky. These changes do not require amendment of your license, but we will update the contact information. No further correspondence on this matter is required.

Sincerely,

Betsy Ullrich, Senior Health Physicist

and Academic Branch
Division of Nuclear Materials Safety
