RE: Materials License 24-32774-01 – License Amendment Request

Dear Ms. Cender,

Please accept this letter as a request to amend our Materials License 24-32774-01 to add one (1) additional device.

We would like to purchase a Humboldt Scientific Model 5001EZ nuclear density gauge and add the device to our license.

Let know if you need additional information.

Thank you for your attention to this matter.

Sincerely,

Gregory J. Dorge,  
Radiation Safety Officer  
Central Missouri Professional Services, Inc.

**Attachments:** Materials License 24-32774-01 – License Amendment Request 4-8-21.pdf

Hello Tammy,

Please process the attached file in as a new license amendment request. Please assign the request to me as I have already discussed this case with the licensee and can issue it within the necessary timeframe.

Licensee: Central Missouri Professional Services, Inc.  
License No. 24-32774-01  
Docket No. 030-38236

Thank you,  
Laura

**Subject:** [External\_Sender] NRC- Materials License 24-32774-01 – License Amendment Request

Hello Laura,

Thank you for your prompt response to my inquiry to add a device to our Materials License.

Please see attached pdf of the License Amendment Request to Materials License 24-32774-01 to add one (1) additional device, a Humboldt Scientific Model 5001EZ nuclear density gauge.

Please do not hesitate to contact me if you need additional information.

Thank you for your attention to this matter,

***Greg Dorge***
