Title: EMBARK Venture Studio - Public Workshop on the First Feature for the Mission Analytics Portal - External (MAP-X)

Date(s) and Time(s): April 21, 2021, 01:00 PM to 02:00 PM

The time of the meeting is local to the jurisdiction where the meeting is being held.

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: This meeting is an opportunity to have industry and public engagement on the NRC staff's efforts to provide electronic reporting options for event notifications. In partnership with the Office of the Chief Information Officer, NRR's EMBARK Venture Studio intends to develop analytics tools and a portal to empower stakeholders with a secure, flexible, and personalized self-service gateway to view, submit or interact with appropriate regulatory-related information. This meeting is intended to provide an update on the first module, event notifications, and an opportunity for NRC staff, industry, and the public to discuss the initiative and gather comments.
