Good Day Brian,

Thank you for the meeting today! It was very informative.

I wanted to ensure it was clear that Johnny Rogers from NEI did speak on behalf of the licensees. I represent Energy Harbor and do support the comments presented by Johnny Rogers today during the public meeting detailing the challenges to implementation within the proposed 60 days.

As always, thank you for your consideration.

Kindest Regards, Maureen

Brian,

I wanted you to know that Exelon was on the call today and we were unable to provide comments (even after pressing *1). I want to make sure you understand that Johnny was speaking for all NEI members. We worked together on the response and agree 100% with NEI that 60 days would provide significant challenges for Exelon.

Thank you for your time.
