Good Afternoon Ms. Beach,

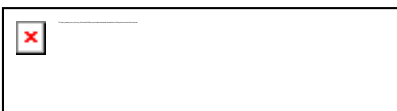

Thank you so much for taking my call this afternoon. As I said on the telephone, I will need one more document in order to complete the transfer of control for St. Elizabeth Dearborn. Please provide a signed and dated letter from your COO which confirms that he understands that he is responsible for the Hospital's Radioactive Materials License.

Please feel free to call me in my home office if you have any questions (224-241-8045)

Thank you,

*Erin Kennedy*
