Dear Sir:

Please amend Byproduct material license no. 07-35021-01 for the following changes:

1. Add a new location of use at:

204 W Liberty Way
Suite 3
Milford, DE 19963

Enclosed is a copy of the facility diagram. All procedures as listed on this license will be followed.

Delete the location of use at:

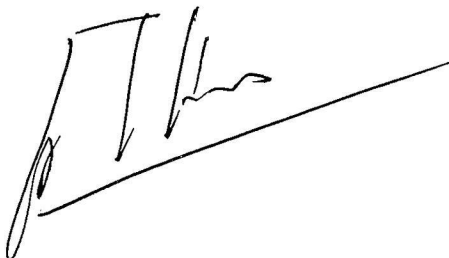

1011 Mattlind Way
Milford Business Park
Milford, DE. 19963

The sealed sources are being stored at the Dover, DE location of use. A close out survey is attached of the 1011 Mattlind Way site.

I am requesting an expedited review of this request as the imaging equipment is being installed and there are patients waiting for studies to be performed.

If there are any questions please call our physicist Ray A. Carlson, MS at (734) 455-4730 office or (734) 395-7361 cell.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ray A. Carlson', written over a horizontal line.

RE: Eranga Cardiology
204 West Liberty Way Suite 3
Milford, DE 19963

I, Sandeep Mann, Managing Member of Mid-Delaware Professional, LLC of 810 New Burton Road Suite 3 Dover, DE owner, of the above referenced property understand that Eranga Cardiology will have radioactive materials at the above referenced property. I also agree that in the event of any Tenant/Landlord dispute or other unforeseen event, Eranga Cardiology will have access to the radioactive materials on site. I will also agree to allow a licensed physicist to enter the property to officially close the lab before the lease is terminated.

If you should have any questions, please feel free to contact me on 302-730-0554.

Thank you,

Sandeep Mann, MD
Managing Member
