Subject: Additional Information Request re Freeman - Oak Hill Health System, Lic. 24-17205-01, CN624839
Date: Friday, May 28, 2021 9:22:00 AM

Good morning, Dr. Ball:

Our office has reviewed your request to add Enock E. Faustin, M.D., as an authorized user (AU) on the referenced license, and to remove three currently-listed AUs. While no technical issues were identified with your request, we have noted that your licensing record doesn't include a Taxpayer Identification Number (TIN). The TIN is required under Debt Collection Improvement Act of 1996. As soon as possible, please complete the TIN information for Freeman – Oak Hill Health System, using the linked U.S. NRC Form [531](https://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf). [<https://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>](https://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf) Upon completion, please submit the Form 531 to NRC facsimile number 301-415-6725. If you have any questions, please do not hesitate to reach out to me at 630-829-9892.

Thank you in advance for your prompt attention to this request,

Sara A. Forster, Health Physicist Licensing Reviewer

U.S. Nuclear Regulatory Commission - Region III

Division of Nuclear Materials Safety

2443 Warrenville Rd. - Ste. 210

Lisle, IL 60532-4352
