Hello,

716 is indeed a typo. We do wish to transfer model 761 to an inactive status.

Do you need me to send a corrected request?

Rgds,
Chuck

Dear Mr. Deible,

We have a question with respect to your request to transfer SSDR NR-0316-D-101-S to an inactive status. In your request letter there was mention of inactivating model number 716. We would like to confirm the correct model number is 761 as model number 716 is not referenced in NR-0316-D-101-S.

Regards,
