Re: License Termination Request – Desert NDT, LLC dba Shawcor (License No. 42-35224-01)

Mrs. Hanson,

On August 24, 2020, Casey Glassy requested the termination of our NRC License. Unfortunately, Casey is no longer with the company and, James Teeters, will be taking over as the Corporate RSO. We are currently waiting on amendment approval to our licenses for James to full authorization to complete this process.

We would like to update the request and follow through with the necessary steps in order to complete the license termination process.

Please let me know if you require any additional information.

Sincerely,

Mark Campbell
