Mr. Brings, Mr. Salway,

Thank you for confirming the Oglala Sioux Tribe's availability on July 8, 9:00-11:00 am MDT. We appreciate the Tribe's continued cooperation and this opportunity to discuss the Tribe's input on elements the NRC should consider when developing the survey methodology. We also agree that Mr. Mentz should participate in the meeting.

I will schedule the meeting for this date and time. As with previous virtual meetings, we will use Microsoft Teams.

To facilitate the discussions on July 8, we have developed a list of clarifying questions to help us better understand the Tribe's input. The list is attached.

Finally, in consideration of the request you made at the May 13 pre-site visit meeting to record and transcribe that meeting, we plan to record and transcribe the July 8 meeting unless the Tribe objects. Please let us know of any objections by 3:00 pm MDT on Friday, July 2.

We look forward to the discussions.

Mr. Brings asked me to let you know that July 8 from 9 to 11 am will work best. I've also invited Mr. Mentz so that he can answer any questions regarding the details of his methodology proposal.

Please confirm the date and time.

Best,

Andy Reid

Mr. Brings, Mr. Salway,

Thank you for providing the Oglala Sioux Tribe's response to the NRC Staff's request for input on elements the NRC should consider when developing the survey methodology to identify sites of significance to the Tribe. We have a number of clarifying questions regarding the Tribe's response. We would like to schedule a meeting with you, Mr. Reid, and Mr. Mentz to discuss our questions with the goal of better understanding your input. Because of the upcoming Sundance ceremonies and need to continue making progress toward a summer/fall 2021 site survey, we would like to schedule this meeting next week if possible. The NRC staff is available on the following dates and times:

Tuesday, June 29 from 1 p.m. to 3 p.m. MDT

Thursday, July 1 from 9 a.m. to 3 p.m. MDT

Friday, July 2 from 9 a.m. to 12 p.m. MDT

Please let us know at your earliest convenience your preference on a date and time. If the Tribe is unavailable next week, the NRC staff is also available the following week on these dates and times:

Tuesday, July 6 from 9 a.m. to 3 p.m. MDT

Wednesday, July 7 from 9 a.m. to 11:30 a.m. MDT

Thursday, July 8 from 9 a.m. to 11 a.m. or 1 p.m. to 3 p.m. MDT

Friday, July 9 from 9 a.m. to 3 p.m. MDT
