

PUBLIC MEETING ANNOUNCEMENT

Title: Meeting to Obtain Feedback about the Conduct of NRC Inspections in NMSS Program Areas During the PHE

Date(s) and Time(s): August 03, 2021, 01:30 PM to 03:30 PM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The purpose of this meeting is for the NMSS COVID-19 Public Health Emergency (PHE) Oversight Activities Assessment Phase B Working Group (the Working Group) to obtain feedback concerning the implementation of NRC inspections in the NMSS Program areas (Nuclear Materials Users, Spent Fuel and Transportation, Fuel Cycle Facilities, Uranium Recovery and Decommissioning). This feedback will be considered by the Working Group when forming recommendations on potential enhancements to the inspection programs based on what has been experienced and learned during the COVID-19 PHE. The Working Group charter is available in ADAMS at Accession No. ML21085A576.

Comments: NOTE: This is a webinar with audio through conference call bridge line. Participants may connect to the webinar to see presentation material (slides) and speakers. Participants need to call in to the bridge line for audio and to provide comments.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.

PUBLIC MEETING AGENDA

Meeting to Obtain Feedback about the Conduct of NRC Inspections in NMSS Program Areas During the PHE

August 03, 2021, 01:30 PM to 03:30 PM ET

Webinar

Time	Topic	Speaker
1:30-1:40PM	Opening Remarks and Introductions	Leira Cuadrado, NRC
1:40-1:50PM	Presentation of NMSS' COVID-19 Public Health Emergency (PHE) Oversight Activities Assessment Phase B Working Group	Leira Cuadrado, NRC
1:50-3:25PM	Facilitated Open Discussion by Questions: 1) What practices and/or processes worked well in the implementation of NMSS' oversight/inspection program during the COVID-19 Public Health Emergency that should continue to be used in a future public health emergency or other emergencies that may impact travel? 2) What practices and/or processes worked well in the implementation of NMSS' oversight/inspection programs during the COVID-19 Public Health Emergency that should continue to be used during the normal implementation of the inspection programs? 3) What practices and/or processes used during the implementation of the NMSS' inspection program during the COVID-19 Public Health Emergency should not be used in the future implementation of NMSS' oversight/inspection programs? 4) What worked well with regard of remote sharing of information (including IT platforms, sharing documentation or records, interviews) to support inspection activities? 5) Do you have any feedback on on-site inspection activities during the COVID-19 Public Health Emergency and the additional coordination to support these on-site inspections? 6) [If time allows] Any additional feedback related to NRC/NMSS inspection activities during the PHE that you will like to provide to the Working Group, that is not already covered in our previous questions?	
3:25-3:30PM	Closing Remarks	Leira Cuadrado, NRC

ADAMS Accession Number: ML21202A113

NOTIFICATIONS

NOTE: This is a webinar with audio through conference call bridge line. Participants may connect to the webinar to see presentation material (slides) and speakers. Participants need to call in to the bridgeline for audio and to provide comments.

The Working Group (NRC staff) wishes to hear your perspectives to the following six specific questions:

- 1) What worked well in the implementation of NRC oversight program during the PHE that should be used in future PHEs or periods of travel restrictions?
- 2) What worked well in the implementation of NRC oversight program during the PHE that should be used in during normal implementation of the inspection programs?
- 3) What should not be used in the future implementation of NRC oversight programs during a PHE that should be used in future PHEs or during normal conditions?
- 4) What worked well with regard of remote sharing information (including IT platforms, sharing documentation or records, interviews) to support inspection activities?
- 5) Feedback on on-site inspection activities during the COVID-19 PHE and coordination to support these on-site inspections?

For additional details, please call the NRC meeting contact listed on the NRC Public Meeting Schedule or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact Leira Cuadrado.
