

Delegation of Authority Number: 2021-DOA-05

TO: Paul Chapp, Radiation Safety Officer, Office of Community Health Hazard Assessment,  
Office of Associate Director, Agency for Toxic Substances and Disease Registry

FROM: Chief Operating Officer, CDC

DATE: 08/10/2021

SUBJECT: Designation/Delegation of CDC Radiation Safety Officer, Atlanta

**Authority Designated and Delegated and To Whom**

According to 10 CFR 35, I hereby delegate to you the authority to carry out responsibilities under 10 CFR 35.24 and the applicable state regulations and designate you to serve as a Radiation Safety Officer to represent CDC for all matters involving the Nuclear Regulatory Commission and CDC's Radiation Safety Program.

**Restrictions**

This authority is restricted to CDC's Roybal and Chamblee campuses in Atlanta, Georgia.

**Redesignation and Redelegation**

This designation and delegation may not be redesignated/ redelegated.

**Information and Guidance**

The authorities must be exercised in accordance with requirements and instructions in 29 CFR 1960.6(a), 10 CFR 35.24, any applicable CDC issuances and guidelines, and any applicable state or local regulations.

**Prior Delegation**

This delegation supersedes the Designation/Delegation of Radiation Safety Officer - Atlanta, dated February 3, 2020 (2020-DOA-05), from the Chief Operating Officer, CDC.

**Effective Date**

This designation/delegation is effective upon date of signature. In addition, I hereby affirm and ratify any actions taken which involve the exercise of the authorities delegated herein prior to the effective date of this delegation.
