Subject: Renewal Request

Discussion: The License Reviewer contacted the licensee due to various discrepancies between our records and the renewal submittal. Mr. Carlos Rodriguez, the RSO of record for the licensee, confirmed that the president we had listed had retired. Mr. Rodriguez has become the president of the licensee's organization.

The mailing address listed in the Form 313 matched a location of use on the license, but not the mailing address on the license. Mr. Rodriguez confirmed the mailing address on the license remains valid.

The name of the licensee listed on the current amendment does not match the name of the licensee submitted on the Form 313. The licensee stated that the two companies merged/partnered in the 1990-time frame. Licensed work continued under the name of record at that time, though the resultant company has operated under both names during this time period. This is simply a request to change the name.

Action Required: Issue a RAI, process response
