Good Afternoon Tammy- I just had a site contract come across my desk wanting PETCT service and I attached the amendment request. Are you able to combine the two amendment requests?

Thank You,

Paul

Good afternoon, Mr. Flaten,

Due to current mandatory telework status of the NRC, I am electronically transmitting the acknowledgement form that you would normally receive in the mail.

Please let me know if you have any questions, or require any additional information.

Thank you,
