## September 03, 2021

Title: EMBARK Venture Studio - Public Workshop on Mission Analytics Portal - External (MAP-

Date(s) and Time(s): September 21, 2021, 02:00 PM to 03:00 PM ET

Location: Webinar

This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to Category:

meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: This meeting is an opportunity to have industry and public engagement on the NRC staff's

> efforts to provide electronic reporting options for event notifications. In partnership with the Office of the Chief Information Officer, NRR's EMBARK Venture Studio intends to develop

analytics tools and a portal to empower stakeholders with a secure, flexible, and

personalized self-service gateway to view, submit or interact with appropriate regulatory related information. This meeting is intended to provide an update on the first module, event notifications, and an opportunity for NRC staff, industry, and the public to discuss

the initiative and gather comments.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
