**Re: Renewal Application for Materials License No. 13-09649-02
Mail Control No. 626966:**

Dear Mr. Tran:

This is in response to your recent email message requesting additional information regarding the above-referenced license renewal application. We address each of your items, as follows

1. We could not find the attachment discussed in the response for Item 5 (medical license issued by Indiana for each proposed authorized user).

Response:

Attached is the Indiana medical license number for each of our current authorized users.

2. After Richard Green, M.D. be removed from the license by your request, it appears that there will be no authorized users on the license for the use of 10 CFR 31.11 material for in-vitro studies. If you would like to remove 10 CFR 31.11 from the license, please state and confirm that you have no possession of 10 CFR 31.11 under this license.

Response:

Please remove authorization of 10 CFR 31.11 material for in-vitro studies.

We hope this additional information is acceptable for you to continue your review of our license renewal application and look forward to receiving the license document.

For Terre Haute Regional Hospital,

Jim Mikowski
