Rockville, MD 20852-2738

Subject: Licensing Lead for Carbon Free Power Project, LLC

The purpose of this letter is to inform you that the Carbon Free Power Project, LLC (CFPP, LLC) has selected Fluor to lead the COLA. Fluor will utilize NuScale Power, LLC (NuScale) as the licensing lead and US Nuclear Regulatory Commission (NRC) interaction point of contact for the CFPP COLA Content.

Our arrangement envisions that NuScale will prepare material for and support NRC pre-application meetings, readiness reviews, audits and inspections related to preparation of the CFPP COLA Content. NuScale will also support NRC review of the submitted CFPP COLA Content.

CFPP, LLC will plan to be present as the owner for face-to-face meetings with the NRC discussing CFPP COLA Content topics. NuScale will have the lead management role for interactions with the NRC.

CFPP, LLC, our parent entity Utah Associated Municipal Power Systems (UAMPS), its owner's engineers, and Fluor expect to remain engaged throughout the pre-application period. This includes receiving copies of all correspondence regarding CFPP.

Effective the date of this letter, the NuScale/CFPP addressee for all correspondence is:

John Volkoff
Manager, Combined License Applications
1100 Circle Boulevard, Suite 200
Corvallis, OR 97330

Copy to: (non-proprietary versions)

Shawn Hughes
Project Director, CFPP, LLC
