RE: License Amendment of Material License No. 06-30647-01

Dear Mr. Nick:

This letter is a request to amend our Material License to support personnel changes in our organization. We would like to have Ms. Lorraine Farrell who has completed the Radiation Safety Officer Course at Radiation Safety and Control Services from September 20th-24th, 2021 in Seabrook, NH added as a licensed user within condition #11. In addition to the training class, she has successfully performed five (5) isotope injections under my supervision and can perform this procedure independently.

If you need further information, please feel free to contact my office.

Sincerely,

Robert T. Neff, VMD
Radiation Safety Officer
