Tammy,

Attached is an incoming Termination Request for Materials License No. 13-16526-02 (City of Fort Wayne), Docket No. 03029002. I am currently assigned the license renewal, which is assigned Control No. 628163.

As discussed with Mr. Geise, they are no longer intending to renew the license and would instead like to terminate the license. I am unsure, but I believe that I can continue processing the Termination Request under the existing Control Number. Please advise.
