

Public Meeting With Representatives of the Nuclear Industry to Discuss Approaches to Addressing Tornado Hazards During Independent Spent Fuel Storage Installation Short-Term Operations

November 9, 2021

**Division of Fuel Management
Office of Nuclear Material Safety and Safeguards**

Meeting Contact: Tomeka Terry, Project Manager

Email: Tomeka.Terry@nrc.gov

Phone: 301-415-1488

Meeting Category and Public Participation

This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Meeting Location

In- person

NRC Headquarters, Auditorium
11555 Rockville Pike
