

CHAIRMAN

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

December 21, 2021

The Honorable Frank Pallone, Jr.
Chairman, Committee on Energy
and Commerce
United States House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

On behalf of the Commission, I am providing the November 2021, monthly status of the U.S. Nuclear Regulatory Commission (NRC) activities, and use of unobligated carryover funds appropriated from the Nuclear Waste Fund (NWF). The enclosure provides the NWF expenditures in November 2021, consistent with the U.S. Court of Appeals for the District of Columbia Circuit's decision in *In re Aiken County* regarding the licensing process for the U.S. Department of Energy's Yucca Mountain license application. During this reporting period, the NRC provided limited program planning and support activities.

Please feel free to contact me or have your staff contact Eugene Dacus, Director of the Office of Congressional Affairs, at 301-415-1776, if you have questions or need more information.

Sincerely,

Christopher T. Hanson

Enclosure:
As stated

cc: Representative Cathy McMorris Rodgers
