**SUBJECT: Notice of Closing of Transfer of Control  
Materials License No. 37-30120-01 (Docket No. 030-33422)**

Dear Mr. Gallagher:

On November 12, 2021, the U.S. Nuclear Regulatory Commission ("NRC") approved the transfer of control of NRC Materials License No. 37-30120-01 ("the License"), held by CDL Nuclear Technologies, Inc. (the "Licensee"). Approval of the indirect transfer of control was pursuant to a change of control application dated September 23, 2021 and submitted by the Licensee on behalf of its current stockholders and by Excellere Capital Management II, LLC.

This notice informs the NRC that on December 7, 2021, the transaction closed, effectuating the transfer of control over the License. Enclosed is a signed copy of the Assignment of Member Interests, confirming completion of the above-described transaction.

Sincerely,

A handwritten signature in black ink, appearing to read "Lon P. Wilson", is written over a horizontal line.
