Re: **License No. 21-15281-02**
 Docket No. 030-13918
 Mail Control No. 629178

Jason:

We are writing in response to your letter dated December 10, 2021, which addressed Materials Testing Consultants, Inc.'s ("**MTC**") (EIN: 38-1866284) prior correspondence dated November 12, 2021, November 17, 2021, and December 1, 2021, in which MTC requested consent from the U.S. Nuclear Regulatory Commission ("**NRC**") for a proposed indirect transfer of control of NRC License No. 21-15281-02 (the "**License**").

Pursuant to your letter, please find below the requested additional information:

1. Steven Elliott will remain as President of MTC and report to a new Board of Directors and shareholders, including TMCH Platform Three, LLC ("**TMCH3**"), Michael O'Neill and Erik Latterell. The authority to control License activities will remain under the control of Tim Lautenbach as the Radiation Safety Officer. TMCH3, Michael O'Neill and Erik Latterell will not have involvement with day-to-day MTC operations or the License activities.
2. Attached as Exhibit A is MTC's pre- and post-closing organizational chart, which depicts no changes in reporting relationships. There are no changes in the organizational chart. Steven Elliott as President will report to a new set of shareholders and Board above the level of the President.

If you have any questions or comments concerning the information contained in this letter, please do not hesitate to contact me at (616) 608-1530. Your prompt attention and response to this request is greatly appreciated.

Sincerely,

Materials Testing Consultants, Inc.
