Robin,

I've reviewed the draft and it looks good to me. I'd only note that the referenced transaction and documentation of the salary being paid to the Doctor don't appear to be in the ADAMS package (or at least I didn't see them).

Let me know if you need anything else re this.

Cheers,

Subject: Change of Control - Raleigh Cardiology Clinic, PLLC

Good morning Brett,

I have a Change of Control for Raleigh Cardiology Clinic, PLLC. It is due **December 27th**. Sorry for cutting it so close but I have had to wait for responses from the licensee. The mail control is 627361. Essentially, Charleston Area Medical Center purchased RCC and is changing the name of the clinic to CAMC Cardiology – Beckley. CAMC will provide oversight but will maintain the separate license for now.

Unfortunately, the transfer has already occurred. I am having a meeting with Anne and Jan tomorrow to determine if we want to cite them. Jan and I are suggesting we don't since the purchase was COVID related which created financial issues for RCC requiring them to act quickly to avoid disruption of services and because CAMC is a known entity. I just wanted to get the draft to

you ASAP to facilitate your review. Please let me know if you have any issues.

I am off Dec 17-31 but will work to complete this action. If you could text me at 302-740-3061 after the 16th when you have questions or have finished your review I will respond.

Many thanks,

Robin L. Elliott
