Staff Withholding Determination

The NRC staff has reviewed your application and the material in accordance with the requirements of 10 CFR 2.390. Based on the statements in the affidavit, the NRC staff has determined that the submitted information contains proprietary, commercial information and should be withheld from public disclosure.

Therefore, the submitted information marked as proprietary will be withheld from public disclosure under 10 CFR 2.390(b)(5) and Section 103(b) of the Atomic Energy Act of 1954, as amended.

The NRC staff may have cause to review this determination in the future, for example, if the scope of a Freedom of Information Act request includes your information. In all review situations, if the NRC staff makes a determination adverse to the above, you will be notified in advance of any public disclosure.

The NRC staff has reviewed your application and the material in accordance with the requirements of 10 CFR 2.390. Based on our review, we have concluded that the proprietary request does not comply with the requirements of 10 CFR 2.390. Therefore, the NRC staff is denying the request to withhold the information under 10 CFR 2.390.
