Subject: Idaho State University Special Nuclear Materials License Number 1373 Renewal Application - Docket Number 70-1374
Date: Friday, December 17, 2021 10:24:00 PM

Dear Dr. Lybecker:

This is to acknowledge receipt of Idaho State University's license renewal application dated December July 9, 2021 (Agencywide Documents Access and Management System Numbers ML21350A008 (transmittal letter) and ML21351A100 (public version of application)).

The U.S. Nuclear Regulatory Commission staff will conduct an acceptance review of the application to determine whether it provides sufficient information to proceed with detailed technical review. The results of this review will be communicated to you as soon as the review is completed.

Your application has been assigned Enterprise Project Identification (EPID) Number L-2021-NFR-0000. Please reference this number and Docket number 70-1374 in any communications regarding this matter.

If you have any questions, please contact me.

Thanks.
