Dear Mr. Goodman:

In the renewal application, you requested authorization for 10 CFR 35.100 material. Since you requested to delete Charles Armstrong, M.D. from the license, there will be no one using this material. If you would like to delete 10 CFR 35.100 listed in Item 6.A of your current license, please let us know. If you would like to keep it in the license, please provide name of the individual(s) who will use it. Please provide your response in writing with date and authorized signature.

Thank you,

Frank Tran
