Subject: [External_Sender] Please do not extend licensing for Point Beach

Hello,

I want to go on record stating my opposition to extending the license for Point Beach to operate. I do not believe it is safe or wise to operate an additional 20 years.

I'm sure you have heard the arguments made by the Wisconsin Chapter of Physicians for Social Responsibility. I have seen their presentation, as made to Sierra Club, and I agree with them.

Please record that I am in opposition.
