FROM: Russell E. Chazell

SUBJECT: RENEWAL OF ADVISORY COMMITTEE ON THE MEDICAL

The Federal Advisory Committee Act requires that advisory committee charters be renewed every 2 years. The current ACMUI Charter expires on **February 28, 2022**. The attached charter updates the current charter to revise, in Section 7, the current FTE and cost estimates for the next 2 years as recommended by the staff and to make other changes recommended by the General Services Administration Committee Management Secretariat (CMS) for this charter to comport with CMS charter guidance as well as edits from the OGC review.

Enclosed are redline-strikeout and clean versions of the draft charter. The redline version represents the changes made from the current charter. The charter was last renewed in February of 2020.

Please provide your concurrence of the charter's renewal.
