SUBJECT: TERMINATION OF RADIOACTIVE MATERIALS LICENSE FOR EARTH
EXPLORATION, INC. - A TERRACON COMPANY, NRC LICENSE NO. 13-26408-
01

Dear Mr. Olson:

In application dated August 4, 2021, you notified the U.S. Nuclear Regulatory Commission (NRC) of a request to terminate NRC Materials License No. 13-26408-01.

You submitted information sufficient to permit the transfer of facilities located at 351 Transfer Dr., Indianapolis, Indiana and 2204 Yankee St., Niles, Michigan, to another NRC licensee — Terracon Consultants, Inc., NRC License No. 15-27070-01. Based on its review, the NRC staff has concluded that all licensable radioactive material at 351 Transfer Dr., Indianapolis, Indiana and 2204 Yankee St., Niles, Michigan, has been transferred from Earth Exploration, Inc. - A Terracon Company, NRC License No. 13-26408-01, to Terracon Consultants, Inc., NRC License No. 15-27070-01.

Based on this conclusion, no further remediation or actions with respect to NRC-regulated material are required on the part of Earth Exploration, Inc. - A Terracon Company. The NRC understands that all records concerning the safe and effective decommissioning of the facilities at 351 Transfer Dr., Indianapolis, Indiana and 2204 Yankee St., Niles, Michigan have been transferred to and will be maintained by Terracon Consultants, Inc., NRC License No. 15-27070-01.

Accordingly, NRC License No. 13-26408-01 is hereby terminated. A copy of the amended license, Amendment No. 16, is enclosed.

An environmental assessment for this action is not required because this action is categorically excluded under Title 10 of the *Code of Federal Regulations* (CFR) Section 51.22(c).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice and Procedure," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's ADAMS, accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.

If you have questions, please contact me at 630-829-9623 or frank.tran@nrc.gov.

Sincerely,

Frank P. D. Tran
