

PUBLIC MEETING ANNOUNCEMENT

Title: U.S. Nuclear Regulatory Commission Regulatory Readiness for Oversight of Potential Large-Scale Commercial Transportation of Spent Nuclear Fuel

Date(s) and Time(s): February 02, 2022, 01:00 PM to 03:00 PM ET

Location: Teleconference

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is to discuss the NRC staff report on its review of the NRC's regulatory readiness for oversight of commercial transportation of SNF and the regulatory oversight roles of the NRC, DOT, and DHS, and to answer questions by stakeholders and members of the public about the staff review.

Comments: The NRC staff has recently completed a review of its regulatory framework for commercial transportation of SNF. At this meeting, the staff will present the scope and results of the review, including the roles and responsibilities of the NRC and other Federal partners for commercial transportation of SNF.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
