**SUBJECT:** EXPIRATION OF THE CERTIFICATE OF COMPLIANCE  
FOR THE TN-55 PACKAGE, DOCKET No. 71-9328

Dear Sir:

Orano Federal Services LLC is the certificate holder for the TN-55 package, CoC USA/9328/AF-96. This certificate is set to expire on April 30, 2022.

Orano and its predecessor companies have not built or sold a package under this certificate. Although the design may be utilized in some form in the future, we have decided that the current CoC is of little value.

For this reason, Orano has decided to allow the certificate to permanently expire.

If you have any questions or comments please contact me at (253) 552-1321 or by email at: [phil.noss@orano.group](mailto:phil.noss@orano.group), or Chris Backus at (253)-552-1322 or by email at [chris.backus@orano.group](mailto:chris.backus@orano.group).

Very Truly Yours,

**Orano Federal Services LLC**
