Attention: Mr. D. J. Sreniawski

Gentlemen:

Regarding the violation found during your inspection on February 2, 1987;

Item 1 10CFR 20 (b) We are in the process of purchasing a new type of audible alarm that will meet the requirements. The new alarm should be installed within 30 days.

Item 2 10CFR 34.29 (c) A procedure has been set up to inspect and record the alarm system tests.

Item 3 10CFR 34.22 A lock has been installed on the source crank.

Hope you find these actions satisfactory.

Very truly yours,

ST. LOUIS STEEL CASTING INC.

Robert Marchbanks
