Not sure if these are in ADAMS but they are important to the BC site GW and the wells onsite.

Hi Nick,

Please see the attached documents . We have no concerns with the NRC posting them to ADAMS.

Hi Omar

Back in late 2019 or early 2020 LQD was going to send Anadarko a letter saying that it was OK to abandon the GW monitoring wells at the site. Can you please send me a copy and let me know if its OK to put it in the NRC's public ADAMS

Thanks

Nick
