Subject: [External_Sender] Three Mile Island Security response to inquiry on submittal TMI 22-005
Date: Wednesday, February 16, 2022 2:23:54 PM

Amy,

In response to your question on the TMI Security Plan submittal, we have implemented and submitted revision 26. The letter subject as well as reference to the SGI attachments are **correct** for revision 26. The first paragraph, listed below, has the typo and incorrectly states revision 25. Please let me know if any further actions are required.

"Pursuant to 10 CFR 50.54, "Conditions of licenses," paragraph (p)(2), Constellation Energy Generation, LLC (Constellation) is submitting **Revision 25** to the Three Mile Island Security Plan, Training and Qualification Plan, and Safeguards Contingency Plan. Changes to this document were implemented on January 12, 2022. In accordance with 10 CFR 50.54(p)(2), Constellation is submitting these changes within 60 days of implementation (i.e., no later than March 13, 2022)."

Thank You

Daniel Kenny
