Title: Meeting Between the U. S. Nuclear Regulatory Commission (NRC), Nuclear Energy Institute (NEI), and nuclear industry Related to Extreme Environmental Phenomena (EEP) During Independent Spent Fuel Storage Installation (ISFSI) Operations

Date(s) and Time(s): February 17, 2022, 01:00 PM to 04:00 PM ET

Location: Webinar

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of meeting is to discuss perspectives on the resolution of identified issues related to EEP during ISFSI operations.

Comments: This is a virtual meeting. Please inform the NRC's meeting contact of your intention to participate by February 15, 2022. This step will ensure that the videoconference link information and meeting materials have been received by attendees participating virtually.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
