SRBT requires the completed RGA packet be returned and all disposal fees be paid in full before an RGA number will be issued. Payment may be made by check, credit card or EFT. A PO will be accepted to bill against but the RGA number will not be issued until full payment has been received. SRBT does not accept COD shipments and will refuse any sent. No exceptions or adjustments will be made to the policy. Any distributors that still has terms purchasing new signs and disposal services will receive an invoice. If that invoice is not paid by the due date shown, any discount(s) offered may be revoked.

SRBT offers a discount for disposal services, on a one for one basis, when SRBT replacement signs are purchased, regardless of who manufactured your expiring signs. To receive this discount your new signs and disposal services must be ordered and paid for at the same time. If disposal services are requested at a later date as a separate transaction this discount does not apply. NOTE: Discounts do not apply to signs subject to the damaged sign fee. Service fees as published remain in effect when ordering new signs. ←

SRBT requires all policies and procedures be followed during this process. Failure to do so may result in additional service fees. Please refer to the attached packaging instructions and service fee schedule. A Certificate of Disposal or RGA numbers for additional returns will not be issued if there are outstanding service fees.

RGA numbers cannot be issued until these forms have been completed in their entirety including signing or initialing each page as indicated and returned to SRBT. An RGA number is good for one shipment only. Additional shipments require a new request be submitted and a new RGA number be issued.

By signing and/or initialing these forms and shipping the signs to SRBT you agree to all terms and conditions and understand that failure to follow these policies and procedures may result in shipments being refused and/or additional charges. When paying disposal fees by credit card you are authorizing SRBT to immediately charge any additional fees to the same credit card without need for additional authorization. If the disposal fees were paid via check or EFT you agree that SRBT will issue an invoice for the additional amount and that payment is due immediately upon receipt of the invoice. You further agree to pay any costs incurred by SRBT should we be forced to engage a third party collection agency to secure payment for disposal services, fees resulting from your failure to follow our policies or for the purchase of new signs.
