Betsy,

We listed the wrong permit number and we do intend to transfer License 16-35383-01 to Screaming Eagle Coal. Could you send us a copy of the May 27, 2015 letter from Fola Coal to Southeastern Land?

Thanks,
Doug

Subject: clarification of your letter/documents regarding transfer of Southeastern Land License No. 16-35383-01 to Screaming Eagle Coal

Doug,

In the letter dated January 4, 2022, and the January 4, 2022 letter signed by both you and Terry Potter, you refer to NRC License No. 37-35255-01. This license was issued to Fola Coal on August 4, 2015, and terminated on November 15, 2016, when a new license was issued to Southeastern Land, LLC. That new license is License No. 16-35383-01. **This is the license that is actually involved in the transfer at this time**, so all our correspondence will refer to that license number.

The letter dated May 27, 2015, that was submitted when the license was still under Fola Coal License No. 37-35255-01, continued in effect under Southeastern License No. 16-25283-01. This is the letter that contains the commitments that you are agreeing to abide by. Do you have a copy of this letter, or do you need a copy of this letter? I do see by your letter that Screaming Eagle Coal, LLC is associated with the Fola Preparation Plants, so it may be that you have the documents that were originally submitted by Fola Coal.

Please respond confirming that you understand that Screaming Eagle Coal, LLC is purchasing the assets currently authorized under the Southeastern Land, LLC License No. 16-35383-01; and let me know if you need a copy of the May 27, 2015 letter.

Thanks,
Betsy
