Dear Mr. Lancaster,

Rio Algom Mining LLC (RAML), received the NRCs Request for Additional Information (RAI) letter on February 3, 2022 to support NRCs technical review of RAMLs License Amendment Request (LAR) submitted on October 1, 2021. As stated in the letter, RAML can provide RAI responses or a schedule to respond to the RAIs within 30 days of receiving the letter. RAML respectfully requests the following schedule for submitting RAI responses.

March 8, 2022 – Clarification call with NRC. After this call, RAML will be in a better position to evaluate the time needed to effectively respond to the RAIs.

April 15, 2022 – RAML to provide NRC with RAI responses.

Please let me know if this schedule request is acceptable to NRC.

Sincerely,
Sandra
